FROM John Bhore, Esq., A.M.I.C.E.,
~~EXECUTIVE ENGINEER~~,
Chief Engineer of Mysore, Bangalore.

To

K.V.Anantharaman, Esq., B.A.,

Secretary to Government, Revenue Department,

Bangalore.

SIR,

In forwarding herewith the estimate amounting to Rs.3,917/- for constructing a Yagasala to the Sri Renukamba Temple at Chandragutti in the Sorab Taluk, received from the Deputy Commissioner - - through the Muzrai Commissioner in Mysore, I have the honour to inform you that the amount of the estimate as checked by this office comes to Rs.3,650/-. The difference is due to the height of the verandah being kept at 7 feet with sloped roof of stone slabs and concrete, and omission of stone capitols or bracket slabs over pillars and pillars in the wall, as there is no need for these.

2. It is reported by the Muzrai Commissioner that the Dharmadarsis and the local officers are of opinion that a building of the kind is a necessity and it may be constructed out of the funds to the extent of Rs.8,323-8-3 available at the credit of the temple. It is further reported that the structure after completion will also serve the purpose of a "Pakasala" to be made use of throughout the year. Besides it will afford shelter to the devotees on Rathotsavam and other occasions.

3. A copy of the Deputy Commissioner's letter and the file of vernacular correspondence are also herewith forwarded for reference.

I have the honour to be,
S i r,
Your most obedient servant,

Chief Engineer of Mysore.
